

We have listened to various views on the best way to operate the MUGA and will be making the following changes from Monday 9th July. Apologies if it seems a little complicated, but there doesn't appear to be a simple way to do this.

The changes have been made, taking into consideration:

- 1. Keeping the cost low for local people while at the same time generating income to go towards maintenance and renewals.**
- 2. Accommodating people who want to pay tennis while at the same time giving opportunities for the MUGA to be used for other sports.**

It has been difficult to find a solution that will satisfy everyone, and we may need to adjust this policy if it is not meeting the needs of the village. We also welcome feedback which can be emailed to the Management Committee at radwinter.recreation@gmail.com

USAGE

The MUGA will be locked during school hours. During those times the courts and MUGA can be booked (access code will be given). When unlocked (evenings, weekends and school holidays) courts will be free of charge for all Radwinter residents and usage will be on a first come first served basis. No individual bookings can be made during this time.

Sundays and Mondays will be tennis-free days when no nets are up to give opportunities for people wishing to play football, netball, or basketball. Tennis courts can be booked on that Monday during school hours, but the hirer will have to put up and take down nets which will be stored behind the football goals. There will be an extra half hour added free of charge to the booking to do this. **The remainder of the week the nets will be up on one court** so there is still some space for other activities.

COST

Cost of hiring one court will be reduced to £5.00 per hour.

Cost of hiring the whole MUGA will be £10.00 per hour.

Bookings can be made on our website: <https://www.radwinter-rec.org/forms/muga/>

For Radwinter residents there will be an option to pay an annual fee for unlimited free bookings throughout the year. Bookings still need to be made during school hours as the MUGA will be locked.

£30.00 individual. £50 couple/family. Payment can be made by direct debit, bacs or cheque annually by direct debit. The year will run from date of purchase. People who have paid the annual fee will be allowed to use the courts with visitors at no additional fee.

Please contact Kim on radwinter.recreation@gmail.com

A fair usage policy will be in operation and the Recreation Ground Management Committee reserves the right to refuse bookings if this is being abused.

The Recreation Ground Management Committee reserves the right to review the usage and charges from time to time as necessary.
